

MEMORANDUM OF UNDERSTANDING

between

RAJAMANGALA UNIVERSITY OF TECHNOLOGY THANYABURI

and

HARBIN ENGINEERING UNIVERSITY

哈尔滨工程大学
Harbin Engineering University

With the objective of seeking mutually beneficial ways to share educational and teaching resources, Rajamangala University of Technology Thanyaburi, Thailand (RMUTT) and Harbin Engineering University, P. R. China (HEU), in the spirit of friendly cooperation, have entered into this Memorandum of Understanding in the following aspects:

1. Both sides will exchange and cooperate in teaching, scientific research and academic activities.
2. Negotiate the exchange of students, staff and set up a double degree system and discuss the details of a cooperative schedule.
3. RMUTT would like to invite HEU to set up a shipbuilding engineering subject at RMUTT. Firstly, HEU helps RMUTT set up Master's program for shipbuilding engineering. Secondly, HEU helps RMUTT set up Bachelor's (3+1) program for shipbuilding engineering.
4. According to the requirement of the Faculty of Business Administration of RMUTT, both sides will engage in preparation for a Bachelor's (2+2) program, and other aspects of academic cooperation.
5. Both sides will discuss and cooperate on the MBA, EMBA, MPA courses, promoting its internationalization processes.
6. Both sides would hold specialized seminars occasionally for teachers, students and business people.
7. To discussion for the possibility of a HEU investment in RMUTT's land which is located in Saraburi province in the future to set up a branch school.
8. HEU would like to invite RMUTT's delegation to visit HEU in the near future.

This MOU shall become binding upon the later signatures of authorized signatories of RMUTT and HEU.
